

## URGENT MEMBERSHIP APPEAL

We currently have 395 PIBCI members who are on the electoral roll.

We require 550 members on the electoral roll to be able to apply for registration as a Federal Political Party.

Registration as a Federal Political Party automatically allows PIBCI to stand candidates in any Division, in any Federal by-election or Federal election.

It also gives PIBCI some Legislative advantages in terms of how we appear on the ballot paper. PIBCI would have the party name and logo next to candidates' name and allows PIBCI to have their Senate candidates appear above the line on the ballot paper.

If one in three current PIBCI members can sign up a new member, we can reach the required numbers this year and apply for registration later in 2019.

Please find enclosed a Membership Application form to help you find a new member. Additional Membership Application forms can be downloaded from:
